

Qualifications

Applicants must be third year undergraduate students in a business related field of study such as Business Administration, Economics, Finance, Accounting, or related field.

Compensation

Undergraduate interns will receive an hourly salary in the range of \$17 - \$21 based on relevant prior work or extracurricular experience.

Program Term

Program term is 11 weeks, from June 5, 2023 through August 17, 2023. Interns should be able to work, in-person, 32 hours per week between 8:00 am and 4:30 pm Monday through Thursday.

About

The Minnesota State Board of Investment (SBI) manages defined benefit retirement plans, defined contribution plans, non-retirement accounts and tax-advantaged savings plans for the State of Minnesota and its employees.

The role of the SBI and its staff is to prudently manage these assets to provide financial security for hundreds of thousands of public servants and minimize risk to the State.

- Interns will have the opportunity to work with several different teams within the SBI, attend meetings with investment managers, and work on a variety of projects.
- Responsibilities will include performing investment analysis, investment operations and financial services work.
- Projects could include data gathering, equity analysis, performance calculation, report construction, economic research, manager evaluations, plan accounting, information technology, etc.
